RE: The children separated from parents

Dear President Biden,

Congratulations on your election. We are all sighing with relief. I thank God you were elected. You are in my prayers.

I'd like to make a suggestion, regarding the separated children. Take video pictures of them and show the pictures on television in Mexico, El Salvador, Nicaragua, Guatemala and other Central American countries. Also show the video on T.V. here in the states. Someone will be able to identify some of these children. And help reunite them with their parents.

Thank you.

Yours truly,

Rhoda Wilkinson Domingo
