Ms. Rhoda Domingo
San Francisco, California

Dear Ms. Domingo,

Thank you for taking the time to share your suggestions with me. Hearing from passionate individuals like you inspires me every day, and I welcome the opportunity to respond to your letter.

Our country faces many challenges, and the road we will travel together will be one of the most difficult in our history. Despite these tough times, I have never been more optimistic for the future of America. I believe we are better positioned than any country in the world to lead in the 21st century not just by the example of our power but by the power of our example.

While we may not always agree on how to solve every issue, I pledge to be a President for all Americans. I am confident that we can work together to find common ground to make America a more just, prosperous, and secure Nation.

As we move forward to address the complex issues of our time, I encourage you to remain an active participant in helping write the next great chapter of the American story. We need your courage and dedication at this critical time, and we must meet this moment together as the United States of America. If we do that, I believe that our best days still lie ahead.

Sincerely,
